# The High Priest's Golden Garments

Shemot/Exodus 28

Tabernacle and Court Architectural Plan

The Most Holy Place was a 15-foot (4.6-m) cube, containing only the ark of the covenant (Ex. 25:10–22; 37:1–9). It was here that Yahweh would descend to meet with his people in a cloud theophany (divine appearance). The high priest could enter only once a year, on the Day of Atonement (see note on Heb. 9:7).
